## New Hampshire Water and Sewer Rates Tables

Rates effective as of July 1, 2022

These tables are *one* in a variety of resources created from the 2023 NH Water and Wastewater Rates Survey, which includes data from 90% of rate-charging utilities in the state. Click the links at the right to view additional resources designed to keep your utility informed.

[View the Rates Dashboard](#)

[View Your Utility's Rate Sheet](#)

Additional Resources to learn about:

[Elements of a rate structure](#)

[How to compare rates between utilities](#)

[Creating a communication strategy for changing your rates](#)

### Survey Stats

160 utilities participated in this year's rate survey

All bills have been standardized to monthly- equivalent amounts
